

How We Can Support You

Time 2...
Project

safe space to talk confidentially

advice on safety and healthy relationships

support you to help recognise the signs of grooming

raise awareness around risk and ways of reducing risk

support you to report crimes to the police

support you to access contraception and sexual health check ups

raise awareness of online abuse and how to report this

access to other services e.g. drugs and alcohol, counselling, housing and education

support you through court processes
